Re: United States v. Donville Inniss
Criminal Docket No. 18-134 (S-1)(KAM)

Dear Mr. Ricco:

Pursuant to Rule 16 of the Federal Rules of Criminal Procedure, the government hereby furnishes the following additional discovery with respect to the above-referenced matter. This submission supplements the government's earlier disclosures of August 23, 2018, and October 16, 2018, to prior counsel and which you have since received. With this production, the government renews its request for reciprocal discovery from the defendant.

Enclosed with this letter is a disc that contains records relating to Kyfi Corp., Bates-numbered BAR 000001 - BAR 000143.¹

Per Federal Rules of Evidence 803(6) and 902(11), where affidavits concerning the authenticity of the records are included herein for business records, the government intends to proffer those records into evidence at trial as self-authenticating. See United States v. Komasa, 767 F.3d 151 (2d Cir. 2014).

¹ Pursuant to the August 23, 2018 Court order and signed by counsel, the defendant and the government, you are required to safeguard any personally identifying information that has not been redacted.

If you have any questions or requests regarding further discovery or a disposition of this matter, please do not hesitate to contact us.

Very truly yours,

RICHARD P. DONOGHUE
United States Attorney
